

DETERMINING THE DIVERSITY OF YOUR APPLICANT POOL

CU CAREERS REPORTING

Campus users with Business Partner (BP) access in CU Careers have the ability to access, run, and export reports in CU Careers using the Oracle Business Intelligence (OBI) tool.

User guides and training information are available on the main HCM Community reporting website at <http://www.cu.edu/hcm-community/run-reports>.

CU Careers Reports

Faking classes this summer? Take advantage of CD's tuition benefit
If you or your dependent is planning to take classes on a CU campus this summer, here's a quick primer on using the tuition benefit. One thing to remember The Tuition Benefit Dependent Pilot Program doesn't begin until Fall 2017.
