Celebrating Outstanding Staff and  
Milestone Years of Service

*A note from our Chancellor*

---

Outstanding people are at the heart of everything we do, and we are honored to count you among the community of talented and hardworking staff members who keep our campus moving forward.

On behalf of all of us at CU Anschutz, please accept my gratitude for your exceptional dedication and countless contributions as you celebrate this milestone anniversary. You help make our campus a place where anything is possible, and we simply could not deliver on our mission without you.

It's a pleasure to work alongside you, and I hope you share our pride in the difference you make here every day.
