

Rob Stephenson

Systems, Populations and Leadership
The Center for Sexuality and Health Disparities
School of Nursing
University of Michigan
400 North Ingalls, Suite 4170
Ann Arbor, Michigan, 48109

EDUCATION

- MA Photography, Savannah College of Art and Design, US, 2017
- PhD Demography, University of Southampton, UK, 1999
Thesis: *The Impact of rural-urban migration on child survival in India*
Thesis Advisor: Dr. Zoe Matthews
- MSc Medical Demography, London School of Hygiene and Tropical Medicine, UK, 1996
Thesis: *Migration and water source utilization in urban Tanzania*
Thesis Advisor: Dr. Basia Zaba
- BSc Demography, University of Southampton, UK, 1995

ACADEMIC EMPLOYMENT/APPOINTMENTS

- Professor Systems, Populations and Leadership, School of Nursing, University of Michigan.
July 2018 - Present.
- Department Chair Systems, Populations and Leadership, School of Nursing, University of Michigan.
July 2018 – August 2022
- Center Director Center for Sexuality and Health Disparities, University of Michigan. 2015-Present.
- Professor Health Behavior and Biological Sciences, School of Nursing, University of Michigan.
January 2015-July 2018.
- Associate Professor Hubert Department of Global Health, Rollins School of Public Health,
Emory University. October 2011-December 2014.
- Assistant Professor: Hubert Department of Global Health, Rollins School of Public Health,
Emory University. October 2004-2011.

Research Associate Bill and Melinda Gates Institute for Population and Reproductive Health, Department of Population and Family Health Sciences, Johns Hopkins Bloomberg School of Public Health, Johns Hopkins University. October 2002-2004.

Post-doctoral Fellow Carolina Population Centre, University of North Carolina at Chapel Hill. August 2001-September 2002.

Research Fellow *Opportunities and Choices* Program, Department of Social Statistics University of Southampton, UK. October 1999-August 2001.

Research Assistant *Cultural Theories of Reproductive Change*, Department of Social Statistics, University of Southampton, UK. June 1998-August 2001.

Statistical Consultant University College London, London, UK. February 1999-March 2001.

Lecturer University College London, London, UK. March 1999.

Lecturer Training European Statisticians, TES (Teaching European Statisticians) Institute, Luxembourg. January 1999.

Lecturer Department of Social Statistics, University of Southampton, UK. March 1997.

GRANTS AND PROJECT ADMINISTRATION

ACTIVE

2022-2027 Centers for Disease Control and Prevention (U01)
Understanding HIV/STD Risk and Enhancing PrEP Implementation Messaging in a Diverse Community-Based Sample of Gay, Bisexual, and Other Men Who Have Sex with Men in a Transformational Era
 Co-Investigator (Principal Investigator: Sullivan)

2022-2027 National Institute on Minority Health and Health Disparities (R01)
Trajectories of intimate partner violence among sexual minority youth
 Co-Principal Investigator (Goldbach)

2022-2023 National Institute of Mental Health (R01-Supp)
Violence and viral suppression among gender diverse people
 Co-Principal Investigator (Goldbach)

2021-2026 National Institute of Nursing Research (R01)
Understanding the pathways between intimate partner violence and HIV
 Co-Principal Investigator (Kahle)

2021-2026 National Institute of Mental Health (R01)
Personalized Prevention for Couples
 Co-Principal Investigator (Mitchell)

- 2021-2026 National Institute of Mental Health (R01)
Intimate Partner Violence and HIV Prevention among Sexual Minority Men
Co-Investigator (Principal Investigator: Storholm)
- 2021-2026 National Institute on Drug Abuse (R21)
Investigating the Impact of Substance Use, Intimate Partner Violence, and COVID-19 on HIV Care Engagement among Young Black Sexual Minority Men with HIV in the US South
Consultant (Principal Investigator: Storholm)
- 2021-2024 National Institute of Mental Health (R34)
Tailoring Healthy Relationships to Improve HIV Treatment Outcomes for MSM in Eastern Cape, South Africa
Co-Principal Investigator (Daniels)
- 2020-2025 National Institute of Mental Health (R01)
Violence and viral suppression among men living with HIV
Principal Investigator
- 2020-2025 National Institute of Mental Health (R01)
HIV prevention and care for couples in South Africa
Co-Principal Investigator (Darbes)
- 2020-2025 National Institute of Mental Health (R01)
Expanding the potential of couples HIV testing: Adjunct modules to reduce drug use among vulnerable male couples
Co-Investigator (Principal Investigator: Stark)
- 2019-2024 Fogarty International Center, NIH (D43)
Expansion of NCD Research Capacity in Thailand with Outreach to Indonesia
Co-Principal Investigator (Potempa)
- COMPLETED**
- 2019-2021 National Institute of Child Health and Development (R21)
Understanding intimate partner violence among transgender populations
Co-Principal Investigator (Peitzmeier)
- 2017-2022 National Institute of Child Health and Development (U19/R01)
Get Connected: Linking youth to quality HIV services
Co-Principal Investigator (Bauermeister)
- 2017-2022 National Institute of Mental Health (U01)
Reducing HIV vulnerability through a multilevel life skills intervention for young men
Co-Principal Investigator (Bauermeister and Sullivan)

2017-2022 National Institute of Mental Health (R01)
Theoretically Based Mobile App to Increase PrEP Uptake among MSM
 Co-Investigator (Principal Investigator: Sullivan)

2017-2021 National Institute of Child Health and Development (U19/R01)
We Prevent: A Relationship Skills Intervention for Young Male Couples
 Co-Principal Investigator (Gamarel)

2017-2021 Centers for Disease Control and Prevention (U01)
Linking Latino and African American Men Who Have Sex with Men to HIV Testing
 Co-Investigator (Principal Investigator: Sullivan)

2020-2021 National Institute of Mental Health (R56)
Adapting a mobile HIV prevention app to increase uptake of HIV and STI testing among rural men who have sex with men
 Co-Investigator (Principal Investigator: Jones)

2015-2022 National Institute on Drug Abuse (R01)
Optimizing HIV testing through a substance use brief intervention
 Co-Principal Investigator (Bauermeister)

2015-2020 Centers for Disease Control and Prevention
Mobile Messaging Intervention to Present New HIV Prevention Options for MSM
 Co-Investigator (Principal Investigator: Sullivan)

2015-2020 National Institute of Mental Health (R01)
Involvement Plus: A cohort study of racial disparities in engagement in HIV care
 Co-Investigator (Principal Investigator: Sullivan)

2018-2020 National Institute of Mental Health (R21)
Understanding barriers to self-collection of sexual health bio-specimens
 Co-Investigator (Principal Investigator: Sharma)

2014-2019 National Institute of Mental Health (R01)
Providing online counselling for home HIV testing with male couples
 Principal Investigator

2016-2018 National Institute of Mental Health (R01 - Supplement)
Providing online counselling for home HIV testing with transgender youth
 Principal Investigator

2014-2018 National Institute of Mental Health (R34)
Addressing substance use through couples voluntary counselling and testing (CVCT)
 Co-Investigator (Principal Investigator: Starks)

2015-2019 National Institute of Child Health and Human Development (R01)
Young African's changing understandings of HIV risk
 Co-Investigator (Principal Investigator: Winskell)

- 2015-2018 National Institute of Child Health and Human Development (R34)
Developing a theory-based game for sexual health for African Youth
Co-Investigator (Principal Investigator: Winskell)
- 2013-2018 National Institute of Child Health and Development (R01)
CVCT-Plus: A Couples-Based Approach to Linkage to Care and ARV Adherence
Co-Principal Investigator (Mimiaga and Garofalo)
- 2016-2018 National Institute of Mental Health (R21)
Hierarchical Influences on PrEP use among Male Couples
Co-Principal Investigator (Mitchell)
- 2015-2018 The Herb Ritts Foundation
Developing a life skills intervention for youth in Southeast Michigan
Co-Principal Investigator (Sullivan)
- 2015-2017 Department for International Development
Understanding the HIV prevention needs of male couples in Africa
Co- Investigator (Principal Investigator: van Rooyen)
- 2015-2017 MAC AIDS Fund
HIV prevention for male couples in South Africa
Principal Investigator
- 2014-2016 MAC AIDS Foundation
Dyadic HIV care for male couples
Principal Investigator
- 2013-2016 National Institute Mental Health (R34)
Development of HIV prevention toolkit for at-risk HIV-negative male couples
Co-Investigator (Principal Investigator: Mitchell)
- 2013-2016 PCORI
Comparative Risks and Benefits of Gender Reassignment Therapies
Co-Investigator (Principal Investigator: Goodman)
- 2013-2015 National Institute Health (R21)
Cohort study of mortality and morbidity in transgender persons (Surgery)
Co-Investigator (Principal Investigator: Goodman)
- 2013-2015 CfAR ECHPP Administrative Supplement
Biologic pathways between IPV and HIV acquisition
Co-Investigator (Principal Investigator: Kalokhe)
- 2013-2015 National Institute of Child Health and Human Development (R21)
Improving consent procedures for MSM in web-based HIV prevention research
Co-Investigator (Principal Investigator: Sullivan)

2013-2014 MAC AIDS Foundation
Development of an HIV testing App for Men Having Sex with Men
 Co- Investigator (Principal Investigator: Sullivan)

2011-2015 National Institute of Mental Health (R01)
Comprehensive HIV Prevention Package for MSM in Southern Africa
 Co-Investigator (Principal Investigator: Sullivan)

2011-2014 CDC/ABT Associates
MSM Testing Initiative
 Co- Investigator (Principal Investigator: Sullivan)

2011-2015 CDC/MANILA Consulting Group, Inc.
Evaluation of Rapid HIV Self-Testing among MSM in High Prevalence Cities
 Co- Investigator (Principal Investigator: Sullivan)

2012-2014 CfAR ECHPP Administrative Supplement
Understanding dyadic care across the HIV care continuum
 Principal Investigator

2010-2014 National Institute of Health (D43)
Millennium Promise Awards: NCD Research Training Program
 Co-Investigator (Principal Investigator: Narayan)

2012-2016 National Institute Health (R01)
Minority Stress and Mental Health among Same-Sex Couples
 Co-Investigator (Emory PI) (Principal Investigator: LeBlanc)

2013-2014 MAC AIDS Foundation
Training, counsellor support and packaging of CVCT for male couples
 Co- Investigator (Principal Investigator: Sullivan)

2012-2014 MAC AIDS Foundation
Roll Out of Couples HIV Testing Services for MSM in Atlanta and Chicago
 Co- Investigator (Principal Investigator: Sullivan)

2012-2013 Emory University Research Counsel
What's love got to do with it? Emotions, sexual risk and HIV
 Principal Investigator

2012-2013 Emory Centre for Injury Control
Developing and validating a screening tool for IPV among MSM
 Principal Investigator

2012-2014 CfAR ECHPP Administrative Supplement
Capacity building for couples voluntary counseling and testing for MSM in Atlanta
 Principal Investigator

2010-2012 National Institute for Child Health and Development (R21)
Intimate Partner Violence among MSM: Social Context and Risk Taking
Principal Investigator

2010-2012 National Institute of Mental Health (R03)
Acceptability of CVCT among MSM in South Africa
Principal Investigator

2010-2011 Center for AIDS Research, Emory University
Acceptability of CVCT among MSM in Namibia
Principal Investigator

2010-2011 Emory Center for Injury Control, Emory University
Intimate Partner Violence among Gay and Bisexual Men in Atlanta
Principal Investigator

2010-2011 Center for AIDS Research, Emory University)
Online Surveys with MSM in Africa
Principal Investigator

2009-2012 Bill & Melinda Gates Foundation
Maternal and neonatal health in Ethiopia
Co-Investigator (Principal Investigator: Sibley)

2009-2012 National Institute for Mental Health (R34)
Adaptation and evaluation of couples VCT for US MSM
Co- Investigator (Principal Investigator: Sullivan)

2009-2011 National Institute for Child Health and Development (R03)
Consequences of unwanted children for the health of rural Indian mothers and children
Co-Investigator (Principal Investigator: Hindin)

2009-2011 Center for AIDS Research, Emory University
Testing and iPad application for sexual risk screening
Principal Investigator

2007-2011 National Institutes of Health (R01)
Determinants and Reproductive Health Consequences of Domestic Violence in India
Co-Investigator (Principal Investigator: Hindin)

2007-2009 Global Health Institute, Emory University
Community Factors Shaping the Sexual Behavior of Males in Africa
Principal Investigator

2006-2009 National Institute for Child Health and Development (R03)
Community Influences on the Sexual Behavior of Males
Principal Investigator

- 2006-2008 National Institute for Child Health and Development (R03)
Community Influences on Young People's HIV/AIDS Knowledge, Attitudes and Practices
Principal Investigator
- 2007-2008 Emory University Subvention Fund
Cardio-metabolic Risk among the Foreign-Born Population in the United States
Principal Investigator
- 2006-2007 MEASURE Evaluation, University of North Carolina at Chapel Hill
Community Influences on Contraceptive Use South Africa
Principal Investigator

FELLOWSHIPS AND AWARDS

- 2021 Fulbright US-UK Distinguished Scholar: Birmingham University, UK
- 2021 Sigma Theta Tau International Honor Society of Nursing
- 2012 Woodruff Leadership Academy Fellow, Emory University
- 2012 Public Voices Thought Leadership Fellow, Emory University
- 2011 Distinguished Teaching Scholar, Center for Faculty Development and Excellence, Emory University
- 2007 ASPH/Pfizer Early Career in Public Health Excellence in Teaching Award
- 2006 Student Government Association Professor of the Year, Rollins School of Public Health, Emory University
- 2001 Andre W. Mellon International Post-Doctoral Research Award
Carolina Population Center, University of North Carolina at Chapel Hill
- 1998 Simon Population Trust Doctoral Research Award
Department Social Statistics, University of Southampton, UK
- 1998 Economic and Social Research Council Doctoral Research Award
Department of Social Statistics, University of Southampton, UK
- 1996 Economic and Social Research Council Doctoral Training Award
Department of Social Statistics, University of Southampton, UK

Session Chair: *Health Service Utilization to Improve Reproductive and Maternal Health*. International Population Conference, 2021. Hyderabad, India, December 2021.

Contextual Effects on Reproductive Health and Fertility in Resource-Rich Settings: Session organizer. Population Association of America, Chicago, IL, April 2017

Contextual Effects on Reproductive Health and Fertility in Resource-Rich Settings: Session Chair. Population Association of America, Chicago, IL, April 2017

Contextual Effects on Reproductive Health and Fertility: Session Organizer. Population Association of America, Chicago, IL, April 2017

Contextual Effects on Reproductive Health and Fertility: Discussant. Population Association of America, Chicago, IL, April 2017

Male Couples and Intimate Partner Violence- a Syndemic Approach: Keynote Speaker. Bowling Green University, January. 2017

Adolescents' Risky Behaviors and Well-Being: Session Co-Chair. Population Association of America, Washington, DC, April 2016

The Health of Sexual Minorities: Session organizer. Population Association of America, New Orleans, May 2013

Contraceptive Use in Africa and the U.S: Discussant. Population Association of America, New Orleans, May 2013

Contraceptive Use: Discussant. Population Association of America Conference, New York, March 2007.

Community Influences on Health: Discussant. Population Association of America Conference, Los Angeles, March 2006

The Application of Commercial Business Strategies to Delivering Health Services: Keynote Speaker. Washington Press Club, April 2004

Contraceptive Use: Session organizer. Population Association of America Conference, Boston, May 2004.

TEACHING

UNDERGRADUATE

Research Methods for Social Scientists: Southampton University, UK

Population and Health: Southampton University, UK

POSTGRADUATE

Grant Writing: School of Nursing, University of Michigan

Critical Issues in Global Health: Rollins School of Public Health, Emory University

Migration and Health: Rollins School of Public Health, Emory University

Monitoring and Evaluation of Global Health Programs: Rollins School of Public Health, Emory University

Maternal and Child Health Demography: Rollins School of Public Health, Emory University

Issues in Sexual and Reproduction Health: Rollins School of Public Health, Emory University
Introduction to Demography: Southampton University, UK
Research Methodologies: University of London, UK

SHORT-COURSES

Qualitative Research Methods: Health Services Academy, Pakistan, 2004.
Research Methods for Reproductive Health: Summer Institute in Reproductive Health, Johns Hopkins Bloomberg School of Public Health, 2003-04.
Reproductive Health and Development: Summer Institute in Reproductive Health, Johns Hopkins Bloomberg School of Public Health, 2003-04.
Monitoring and Evaluation for Global Health Programs: Health Services Academy, Pakistan, 2002.
Monitoring and Evaluation for Global Health Programs: Ministry of Health, Nigeria 2000-01.
Multilevel Modelling: International Institute for Population Sciences, Mumbai, India, 2000.
Regression Modelling for Complex Survey Data: TES Luxembourg, 1999.

ACADEMIC MENTORING

Post-Doctoral Fellows:

Ji-Young Lee: School of Nursing, University of Michigan. 2021-Present

Emily Dove-Meadows: School of Nursing, University of Michigan. 2021-Present

Jamie Budnick: School of Nursing, University of Michigan. 2020-2021

Alison Walsh: School of Nursing, University of Michigan. 2019-Present

Jade Burns: School of Nursing, University of Michigan. 2017-2019.

Sarah Peitzmeier: School of Nursing, University of Michigan. 2017-2019.

Natawan Khumasaen: School of Nursing, University of Michigan. 2016-2018.

PhD Committees:

Jennet Arcara: *Abortion and contraceptive use among women in India*. Gillings School of Global Public Health, University of North Carolina at Chapel Hill. Anticipated graduation 2019.

Tamar Goldenberg: *Sexual health and stigma among transgender populations*. School of Public Health, University of Michigan. Anticipated graduation 2019.

Nicholas Metheny: *A Fundamental Cause Approach to Intimate Partner Violence in Marginalized Populations*. School of Nursing, University of Michigan. Anticipated graduation 2019.

Jessica Marsack: *Stigma, Mental Health, and HIV-Related Outcomes for Sexual Minority Persons in the*

United States. School of Nursing, University of Michigan. Graduated 2017.

Akshay Sharma: *New approaches for increasing HIV testing among men who have sex with men in the United States*. Department of Epidemiology, Rollins School of Public Health, Emory University. Graduated 2015.

Xin Liu: *Estimation of Potential Outcomes When Treatment Assignment and Discontinuation Compete in Observational Data* Department of Biostatistics, Rollins School of Public Health, Emory University Graduated 2015.

Alex Salo: *MSM and HIV in South Africa*. Department of Epidemiology, Rollins School of Public Health. Graduated 2015.

Amanda Wendt: *Iron folic acid distribution in Bihar, India*. Department of Nutrition Health Sciences, Rollins School of Public Health, Emory University. Graduated 2014.

Joseph Njau: *Essays on the economic and social-behavioral effectiveness of large-scale malaria control programs in three sub-Saharan African countries*. Department of Health Policy and Management, Rollins School of Public Health, Emory University. Graduated 2012.

Michelle Dynes: *Concepts of trust, confidence and interaction among health workers in Ethiopia*. School of Nursing, Emory University. Graduated 2012.

Eli Rosenberg. *MSM and HIV in the US*. Department of Epidemiology, Rollins School of Public Health: Graduated 2012.

Kristen Wall. *CVCT, sexual risk-taking and family planning*. Department of Epidemiology, Rollins School of Public Health: Graduated 2012.

Reena Ozra: *Community Influences on Diabetes and Associated Risk Behaviors*. Department of Nutrition Health Sciences, Rollins School of Public Health, Emory University. Graduated 2009.

Cria Gregory: *Five Year Changes in Cardiovascular Disease Risk Factors in Guatemala*. Department of Nutrition Health Sciences, Rollins School of Public Health, Emory University. Graduated 2008.

MPH Committees Chaired:

2014:

Courtney Stachowski: *Internalized homophobia and HIV management among same-sex male couples*.

Courtney McGuire. *Community influences on birth spacing behavior in Uganda and Zambia*.

Dhritika Vansia. *Representation of stigma in Craigslist men for men sex ads*.
