

24th Annual Ethics Conference

Building Ethical Competence: Where You Stand in Complex Cases

March 20, 2020

Provided by

Children's Hospital Colorado
CU Center for Bioethics and Humanities

Overview, Target Audience and Learner Outcome

This conference will explore the diverse sources which shape perspectives about ethical issues in pediatric care. Subjective, objective, identity, role, and normative aspects must be distinguished and considered in ethical analysis. Ethics faculty, parents, providers and other health care professionals will guide inquiry through personal and professional experience, as well as case discussion. Participants will report an increased understanding of “humble expertise,” and how this organizational value can positively inform ethical reflection and guide patient care.

Continuing Education Credit

Registration, attendance, sign-in and submission of the evaluation, including a written response to questions related to any change in practice that you may make as a result of learning that took place at this activity, are required for successful completion and receipt of the certificate of attendance. Claim only those hours you attend.

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing: Children's Hospital Colorado is an approved provider of continuing nursing education by the Continuing Nursing Education Group, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This educational activity for 6.5 nursing contact hours is provided by Children's Hospital Colorado.

Other: A general certificate of attendance will be given to all other care providers.

13123 E 16th Ave, Aurora, CO 80045
