UNIVERSITY OF COLORADO **ANSCHUTZ MEDICAL CAMPUS**

Pianos, Digital Pianos & Violins Available for Public Purchase Thursday, Friday & Saturday, December 7-9, 2023

Dear Alumni & Friends:

The Fulginiti Pavilion for Bioethics and Humanities at the Anschutz Medical Campus has had the use of new first-class pianos on a no-cost basis since its opening in 2012. This arrangement is provided through a partnership between the Center for Bioethics and Humanities and the Rockley Family Foundation, a Colorado non-profit organization that is dedicated to supporting music education. The instruments provided to institutions and those made otherwise available will be sold at a significant discount from new retail pricing to perpetuate this valuable program and provide scholarship money for music students.

A large selection of *grands, baby grands, player grands, vertical (upright) pianos, hybrid and digital pianos, violins, violas and cellos* will be available. This event will feature starter to professional level instruments from such famous makers as ***Steinway & Sons, Yamaha, Pramberger, Seiler, Roland, Stravari Fine Violins and many others***. Most instruments are less than one-year old, include a new factory warranty, are tuned, and ready to go. Delivery and special *no-interest financing* is available on site. Moreover, in most cases, a substantial portion of your purchase is considered as a charitable contribution to the Rockley Family Foundation and may be TAX DEDUCTIBLE.*

BY APPOINTMENT: You are invited to attend a special “private-sale” on Thursday, Friday and Saturday, December 7-9. This will afford priority in both selection and price. This sale is by appointment only this year. To secure a private appointment time call: **303-515-0515**

Due to on-campus construction, this years’ event will be held OFFSITE at the Rockley Warehouse, located at: 4880 N Robb St #1, Wheat Ridge, CO 80033.

In a time where creative solutions are needed to maintain properly equipped orchestras and choirs as well as support student artists, the continuation of this loan program is vital to us in our efforts to further education in the arts and humanities. We invite you to take advantage of this wonderful opportunity.
