

Revealing: Art, Disability, Stigma and Compassion

A Panel Discussion:

Debe Arlook

Photographic Artist, Lori's Sister & David's Aunt

Tracy Dixon-Salazar, PhD

Neuroscientist, Geneticist, Patient Advocate & Executive Director, LGS Foundation

Gayla Elliott, MA, ATR, CBIS

Creative Arts Therapy Program Manager, Marcus Institute for Brain Health

Lori Sandler

Life Coach, Motivational Speaker, Writer & David's Mother and Primary Caregiver

Julie Thompson-Dobkin, DO

Neurologist, President & Co-founder of the Hidden Truths Project

“one, one thousand...” is an unconventional documentary and a different kind of love story. It exposes the impact a rare and incurable form of epilepsy (Lennox-Gastaut Syndrome) has on a mother and son's experiences of life-long care. Debe Arlook's intimate photos depict the inner and outer worlds of the relationship between the artist's nephew and sister.
