Ethics Grand Rounds

Ethical Issues in COVID Vaccine Allocation and Implementation

Anuj Mehta, MD
Assistant Professor of Medicine, Pulmonary and Critical Care at National Jewish Health, Denver Health, and the University of Colorado School of Medicine.

Lead, Governor’s Expert Emergency Epidemic Response Committee’s Medical Advisory Groups (GMAG) on Crisis Standards of Care and COVID-19 Vaccine Prioritization.

Thursday, November 12th from Noon-1:00pm

RSVP for this ZOOM Conference

Learning Objectives:

1. Describe the ethical issues in the allocation of vaccines.
2. Describe ethical issues around health equity as related to COVID-19 vaccines.
3. Identify the pros and cons of various allocation schemes.
4. Describe the allocation mechanisms proposed in Colorado.

CE Credit Will Not Be Offered
