---

**Student Organization Principles**

UC Anschutz recognizes the value of student organizations to the mission of the
university and therefore may provide assistance to student organizations in
conducting their activities. The level of assistance varies depending on the
relationship of the student organization with UC Anschutz.
Student organizations differ in the areas of interest and ability to conduct activities on behalf of UC Anschutz. Therefore, the relationship of student organizations to UC Anschutz varies by type. The recognized relationship types are Affiliated and Associated. Student organizations shall adhere to policies and procedures for official recognition, including nondiscrimination in determining their membership. UC Anschutz reserves the right to deny recognition to groups, including those who advocate inciting or producing lawless action, who engage in unlawful activity or conduct, or who fail to comply with state, university, or campus laws and policies.

UC Anschutz recognizes the student leadership component of student organizations and therefore the primary point of contact for all student organizations will be the leadership of that organization as identified in their recognition paperwork.

Student Organization Recognition classifications

9. Petitioning:
The phase in which a group of students has applied for official recognition through the Responsible Office. If approved, the proposed organization will be transitioned to active status.

10. Active:
An active student organization strives to provide an outlet for students to pursue their personal, professional and academic interests and passions outside of the classroom by staying in regular communication with the Responsible Office and working to meet expectations set forth.

   Failure to meet expectations and requirements may result in interim action taken towards a student organization to maintain its active status. During this period, organizational activity may be frozen within the campus community.

11. Frozen:
Frozen status is reserved for a student organization that must immediately cease all activity due to a direct concern/incident communicated to the
Responsible Office.

During this time, the student organization is prohibited from reserving facility space, accessing funding, hosting meetings/events, and other activities indicated within the notification. The student organization will return to active status once the detailed concern/incident has been resolved and notification has been provided by the Responsible Office. If issues persist, the organization’s status could change to Inactive.

12. **Inactive:**
Inactive status is meant for student organizations that fail to meet expectations outlined in the Student Organization Handbook or are required to transition to inactive status based on a sanction through the Group Conduct Review Process. In addition, an organization will become inactive when it is dissolved by its student leaders, preferably in accordance with its constitution and/or bylaws. Any enrolled students may re-activate a student organization through the established recognition process, providing there are no outstanding conduct sanctions.

13. **Dormant:** Dormant status is designated as a temporary inactive state of an organization that falls below specific minimum requirements, typically when they are otherwise in good standing with JWU. Student organizations that fall under this status are groups who have been below the minimum requirement for three consecutive terms. Limitations may be placed on student organizations granted this status for a limited period of time to fulfill minimum requirements. If a group has failed to meet the minimum requirements for a third consecutive term; a designated member of the Student Involvement & Leadership staff will determine the next steps for organization recognition.

**Student Organization Members**
All clubs must have at least 3 members that must include a president and treasurer.

- a. President (required)
- b. Vice-President
- c. Treasurer (required)
- d. Secretary
- e. Advisor (required)

**Coordination of Event and Facilities**
**Student Organization Event:** Student Organizations wishing to host, facilitate, and/or lead community service opportunities must obtain permissions from
- Student Affairs online form for campus wide and associated organizations OR
- Responsible Office for college/school affiliated organizations before planning and/or hosting such events.

**Event Planning Process (for campus wide and associated organizations ONLY):**
1. Fill out the Student Organization Event Support Request form here.
2. Meet with the Responsible Office to confirm details on the form.
3. The responsible party must approve a written statement confirming your event is approved.
4. Submit room request- Student organizations are required to submit requests for events, meetings, and fundraisers here. All student organizations are required to adhere to the submission deadlines as stated below.
   - **Events, meetings, and Requests** – must be submitted a minimum of two (2) weeks in advance of the scheduled event
   - **Fundraiser Requests** – must be submitted a minimum of three (3) weeks in advanced of a scheduled fundraiser

As a general rule, any event, meeting or fundraiser request that is deemed illegal, immoral, unethical, in poor taste by Student Involvement & Leadership, has the potential for violating any university policy, or exposes the student organization or university to risk may not be approved.

**Use of Facilities:** Recognized student organizations may use university-owned meeting rooms without charge as long as the usage does not conflict with regular university business or activities. All use of space on campus must be coordinated through EMS scheduling system.

**Risk Management:**
The university recognizes that supporting on- and off-campus activities enhances the academic and co-curricular learning environment. All activities, whether university-sponsored or not, may require additional scrutiny and review to minimize risk and to ensure that appropriate measures are taken to shift, reduce, or insure acceptable risks.

For more information on the following, click here.
- On-campus activities
University Counsel: The Office of University Counsel provides comprehensive legal services to university constituents at the Anschutz Medical Campus and Denver Campus to support their campus missions. The legal issues confronting the campuses are complex and diverse and are dictated by the dynamic environment of an academic health sciences center and an urban comprehensive undergraduate and graduate research university. For more information on the Office of University Counsel, please visit the University of Colorado System website.

Equipment: If you wish to rent equipment from the office of student engagement, please fill out the equipment request form located via our website. Any equipment that is damaged or lost will be replaced by the organization that had damaged or lost it. The club representative will sign a contract when they pick up the supplies. The form must be completed 1 week in advance.

Guests: The organization hosting the event/activity is responsible for the behavior of any outside guests, including Alumni. Be mindful that most university buildings operate on a card-access system which will not allow persons to enter the building unless they are part of the CU Anschutz community. Therefore, a member from the organization is required to be stationed at the event/activity entrance to assist with admittance into the building for the event/activity. Groups may be required to pay for an arranged security detail in which CU Anschutz security officers are monitoring all event entrances. All guests must leave campus facilities immediately upon the conclusion of the event.

Food and catering: Student organizations must abide by the following guidelines for food service and catering. Any violations of this policy may result in disciplinary action:

- On-campus catering is available to all student organizations
- Any catering request must be approved by your Responsible office via written approval.
- The food must be prepared at their location and brought to your event to be served at proper temperatures if prior approval is granted by University Catering.
- Individually wrapped prepackaged food is allowed to be distributed at events.
- To protect the health and well-being of the students, employees and guests, no student may cook or prepare food for events. There are no exceptions to this policy.

**Event cancellation:** Reserving spaces and not using them takes away from other organizations who may also want to use the same space, therefore organizations must provide notice of cancellation to Student Engagement Office at least 48 hours in advance. Once an event has been canceled it cannot be reinstated without rescheduling. Organizations must resubmit an event request and follow the proper protocol to host an event on campus. Continual event cancellations may result in loss of privileges to reserve space on campus for a designated period of time.

**Off campus events:** It is important for student organizations to meet with their Responsible Party if they are planning an event that will be hosted off-campus to ensure the organization is aware of relevant policies and recommended risk reductions practices. Organizations are expected to act in accordance with university policies and state laws when hosting events and activities off campus, regardless if they are formal or informal in nature.

**Non Discrimination Policy:** In accordance with the University’s Non Discrimination Policy and Procedures, student organizations may not discriminate or limit membership on the basis of race, color, national origin, sex, pregnancy, age disability, creed, political affiliation or philosophy, religion, sexual orientation, gender identity, gender expression, or veteran status in its membership or activities.

Student organizations may require their leadership to promote the purposes of the organization, to ascribe to documented beliefs of the organization, and/or to act in accordance with organizational espoused standards of behavior.

Allegations of discrimination or harassment, including sexual misconduct should be reported to the University’s Office of Equity (insert hyperlink). Student organizations or individual student members may be held accountable for violations of the University’s Non-Discrimination Policy, including but not limited to suspension, expulsion, or nonrecognition of the student organization by the University.
**Political Event:** Recognized Student Organizations that want to host a political debate, bring a political candidate to campus, or participate and/or host any political event are encouraged to work with the Office of Student Engagement. All events much be bipartisan.

**Contracts:** Contracts are legal and binding agreements that outline a relationship between two parties with reference to an exchange of goods or services. A contract can be verbal or written, and they can be called different things, such as agreements, memorandums of understanding, terms and conditions, etc. so it is important to consider the following guidelines:

- **All contracts must be submitted to your Responsible Party for review and processing.**
- **No student or advisor may sign a contract that binds the university.**
  Signing a contract or entering an agreement that legally binds the University is a violation of the University’s Contract Policy. Anyone who signs a contract or enters into an agreement becomes legally liable for that agreement, including payment. If you have any questions concerning contracts, please contact your Responsible Party.
- **All contracts must be submitted **thirty (30) days **in advance of the required date. The more detailed the contract, the longer the process could take. Please plan ahead!**
- **Contracts are required for all entertainment/services, whether or not they involve payment (i.e. bands, lecturers, DJ’s)***

**Marketing**

**Logo policy:** Below are descriptions of the types of student clubs and organizations recognized by CU Anschutz and their policies.

**Campus Wide/ Program Affiliated Student Organizations**
Affiliated student clubs and organizations should align their marks within the CU Anschutz brand as closely as possible. They are not required but encouraged to use a campus identifier whether it be through a text treatment within the mark or by pairing their mark with a campus signature mark.

  **Best Practices:**
  - Keep graphic elements simple
• Use the brand font Helvetica Neue at all times
• Use CU Anschutz brand colors
• Campus affiliation is not required, but it adds an additional identification and credibility element to your mark

Associated Student Organizations

Associated clubs and organizations include local chapters of state, regional or national groups that have a presence on campus and have been formally recognized by CU Anschutz.

Best Practices & Construction:

Do not modify parent organization logos in any way and adhere to their application guidelines. CU Anschutz affiliation can be added through a text treatment only as long as that text treatment meets the parent organizations guidelines.

Additional Guidelines

Student clubs and organizations that choose to self-identify through the use of custom artwork or logo designs must receive prior approval from the Office of Communications and Student Engagement. All custom identities and artwork must adhere to the following general rules in addition to the above guidelines. For more information click here.

Flyer Posting policy:
Posting procedures may vary based on the particular building, its layout, and the function(s) of the facility. Uncontrolled and unauthorized postings are considered a potential fire hazard and a violation of Fire and Life Safety Regulations. Careless removal of these improperly posted and/or unauthorized items frequently results in unsightly damage or housekeeping problems. Facilities Management staff will be instructed to remove unauthorized postings, announcements, signs or displays. In order to prevent unauthorized postings on the campuses, the following procedures have been established.

Steps to post flyers:
1. Refer to the building posting list below for clarification as to whether an approval stamp is required.
2. Print flyers and either hang them yourself in the Honor System buildings OR hand them to the appropriate Administrator to get a stamp. When stamped pick up flyers to be posted.
3. Flyers should be removed by the installer in a timely manner. The posting must be removed either the day of or the day after the event or 30 days from the posting date.

Click here for more information.

- Non-Offensive – Flyers, posters, and signs should not include language inciting imminent lawless action, threats of imminent bodily harm or injury to others, unlawful harassment, obscenity, or defamation.
• Flyers can be placed in display cases, existing poster/flyer holders or on bulletin boards, NOT doors, windows, walls, etc. In some buildings, there is a requirement to place postings in these display cases (check with the Building Administrator).
  o Display cases for postings in elevator lobbies are restricted for use by Facilities Management.
• Postings in elevators are to be done in only one elevator when there is a bank of elevators. The designated process must be followed before posting. An announcement should be submitted to the Building Administrator.
• Signs and displays that are in public areas such as lobbies, entryways, or exterior to a building require additional steps for approval. This requirement is for larger displays on easels or hanging from the rafters, etc.; NOT for items located in display cases. For banners, displays or other larger items placed in public view the following applies.
• The use of easels is highly discouraged and should be done only after contacting the appropriate Building Administrator. Signs on easels can only be used for wayfinding on the day of the event and must be removed immediately after the conclusion of the event. Easels may interfere with the emergency exiting of buildings and will not be approved to advertise upcoming activities or events.
• The use of tape, nails, and other fasteners for posting signs or flyers is prohibited. These may damage the facilities, or the posting may block vision creating a safety hazard. Use of existing bulletin boards is recommended. Contact Facilities Management if there are questions about the use of specific locations.
• Attaching postings/flyers to external monument signs is strictly prohibited. This may interfere with the wayfinding process on campus. Schools and Departments with large/regular events with outside guests may purchase and set up temporary (same day) directional/wayfinding signage. Contact the Building Administrator for Landscaping/Wayfinding for guidance and approval (refer to the Building List).

Leaders and members of Groups should at all times be aware that the actions of the Group and its leaders and members, as well as individuals who are authorized or permitted to represent themselves as connected to the Group (“Group Representatives”) and guests of the Group (“Group Guests”), reflect on both the university and the Group.

As a result, a Group may be held responsible for both the Group’s misconduct and for the misconduct of any one or more of its leaders, members, Group Representatives and/or Group Guests. Such misconduct includes any violation of the Student Code of Conduct or any other university policy, rule, or procedure.
