Bridge Event Space

In between Education 2 North and South. This space must be reserved on EMS but is a great programming space for organizations.

Quiet and Reflection Student Community Space

Education 2 South L28-2205A

The space provides a place where students may engage in a variety of activities for which a more sedate environment is desired. (yoga, prayer, meditations, etc.) All students are welcome to use the space and are asked to be respectful of other activities which may be going on with the community space at any time.

Community Space

Education 2 South L28-2104

This space is open to all students and includes a sink, refrigerator, seating, piano, TV, and other games. Please be respectful of everyone while sharing the space.
