FINANCIAL TOOLS & INFO

NOVEMBER/DECEMBER FINANCIAL WELLNESS

Useful Websites:

- **Nerdwallet.com:** tools, information, and insight they need to make financial decisions. It teaches you what your credit score is and helps you track it, and it has lots of information to help improve your financial literacy.
- **Bankrate.com:** Bankrate supplies plenty of information on bank rates, mortgages, and credit cards, but it's also a source of personal finance advice in such areas as financial planning, retirement, and investments.
- **Wisebread.com:** The most popular areas of the site are the "Personal Finance" and "Frugal Living" sections. It also offers a "Life Hacks" area that covers everything from technology tips to managing an organization.
- **Bankingsense.com:** has a unique way of presenting valuable financial news, tips, and advice without using highly technical jargon or phrasing that's difficult to understand. The site covers such topics as credit cards, insurance, small-business finance, personal finance, taxes, and more.
- **MyMoney.gov:** offers its own unique spin on personal finance. It has information about earning, borrowing, saving, investing, spending, and protecting your money. Other popular pages include financial tools and money quizzes.
- **Inspiredbudget.com:** Learn to budget, pay off debt, and build wealth while enjoying life on your own terms specifically for women.

Federal Student Aid:

- **studentaid.gov:** FAFSA Form, education and resources about loan types and grants, repayment planning and forgiveness information

Apps:

- **YNAB**, for hands-on zero-based budgeting
- **Goodbudget**, for hands-on envelope budgeting
- **EveryDollar**, for simple zero-based budgeting
- **Empower Personal Dashboard**, for tracking wealth and spending
- **PocketGuard**, for a simplified budgeting snapshot
- **Mint:** Best Budgeting App For Monitoring Daily Activity
- **Stash:** Best Budget App For Getting Started With Investing
