Project Description

The University of Colorado Denver | Anschutz Medical Campus is soliciting bids for General Contractors or Mechanical Contractors for replacement of HVAC equipment. The project will consist of replacement of outdated zone heating materials and equipment in the penthouse of Lawrence Street Center.

Scope of Services

The University of Colorado Denver | Anschutz Medical Campus is utilizing the Design/Bid/Build (D/B/B) General Contractor (GC) approach for project delivery from the University's Small Construction Purchase Program.

Minimum Requirements

Notice is hereby given to all interested parties that all firms will be required to meet all minimum requirements to be considered for this project. To be considered as qualified, interested firms shall have, as a minimum:

1. Provided General Contracting services within the last three (3) years for at least two (2) projects each in excess of \$125,000 (hard costs), utilizing the expertise present in their Colorado Office; and
2. Demonstrated specific General Contracting experience in projects of similar scope and complexity; and
3. Demonstrated bonding capability up to \$150,000 for an individual project coincidentally with current and anticipated workloads; provide letter from surety that affirms this capacity; and
4. Bid Bond is required if project exceeds \$50,000; and
5. Provide a COVID-19 operational plan for your firm and subcontractors working for your firm. A plan is required to be submitted with bid. The University may reject bids as non-responsive if the plan is not adequate after review by University leadership.
6. Contractor (General Contractor or Prime Mechanical Contractor) must currently be listed on the University SCPP Pre-Qualified Contractors List at:
