TOTAL ALARMS FOR MONTH

An alarm followed by "FA" signifies a FALSE ALARM. An alarm followed by "NO FD" signifies no fire department response. Not initiating a response or cancellation of fire responders (after they have been called to respond) has been accepted, in writing, by the Aurora Fire Department. Our approved policy has specific guidelines that are to be followed prior to cancellation, and it is put into effect only when Facilities Management staff or University Police personnel arrive quickly and determine that the alarm is not an actual fire and that no hazard exists.
