## **Enrollment with Multiple Programs**

This document will focus on how to enroll for courses for students who are enrolled in multiple programs. For more extensive information how to Add a Class, please refer to the Add a Class document on the Student How- To Guides & Documentation website.

1. Log into the UCDAccess Student Portal. In the Student Center, click Register for Classes (add/drop).

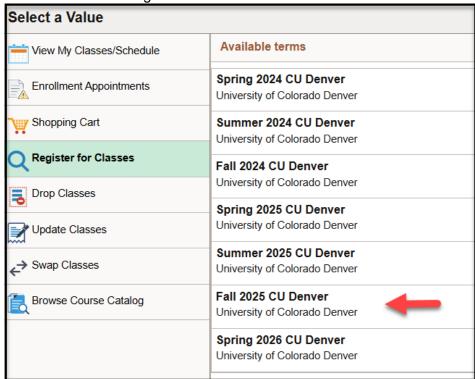

On the navigation menu on the left-hand side of the screen, click Register for Classes.

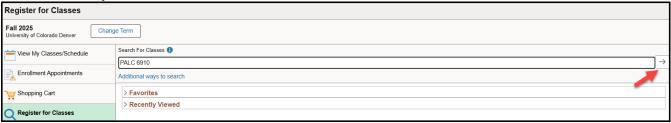

## **Enrollment with Multiple Programs**

3. Select the **term** for registration.

4. In the *Search for Classes* field, enter a keyword for the search and then click the → button or press **enter** on the keyboard to search.

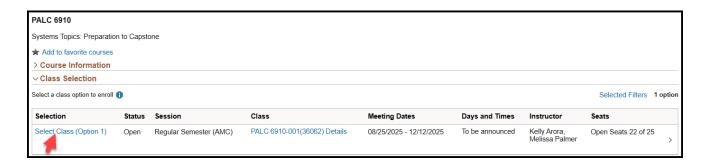

5. Click on the  $\rightarrow$  on the right-hand side to choose a search result to view class options.

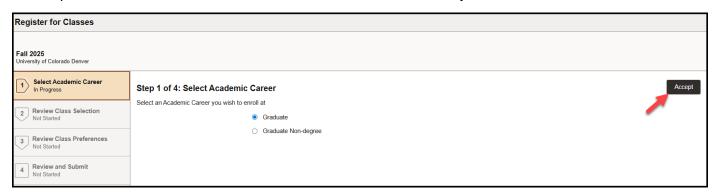

6. Review the section information and click **Select Class**.

## **Enrollment with Multiple Programs**

7. For Step 1, select the **Academic Career** to enroll into and click **Accept**.

- a. Master's degrees are considered Graduate
- b. Certificates are considered Graduate Non-Degree.
- 8. Continue the normal enrollment process from here. See the Add a Class how-to guide for step-by-step instructions.

For questions or additional help with enrolling in classes for multiple careers, please contact the CU Anschutz Office of the Registrar (Registrar@cuanschutz.edu) for additional assistance.
