

Scholarships for Immigrant Students

Updated on December 17, 2020

Scholarships are organized by month in alphabetic order. You will see a Colorado symbol next to local Colorado scholarships; we encourage students to apply to MSU Denver’s institutional funds first. In addition, we encourage our Colorado students to apply to local scholarships first and then the national scholarships as they have a greater competition of other students applying. We hope that this guide will lead you one step closer to achieving your educational dreams. If you find a local/national scholarship open to our undocumented or DACA students that is not listed, please let us know at ImmServices@msudenver.edu.

Some scholarships are still closed for 2020 but may open later this year
