

Save the date!

COAHEC Biennial NEAR Conference Together Again: Moving Upward in Health Care.

**Anschutz Medical Campus
September 21-24, 2023**

University of Colorado
Anschutz Medical Campus

**What's
New!**

Come share our brand-new state of the art facilities at Anschutz Medical Campus!

- Engage in a **tour of our medical campus research facilities** and a robust research afternoon with **lightning rounds, Keynote speaker, and posters from high school students through post-graduate and professionals** from all over Colorado!
- Three tracks of CE offered: **Diversity** of the healthcare workforce responding to equity, **Distribution** of workforce where we need it most, and **Practice Transformation!**
- We will offer up to **24 break-out sessions, a plenary, panels, speakers, and a variety of organization tables** to answer your educational and practice needs!
- Limited hybrid sessions will be offered!
- **Families welcome** for a fun night with a wide variety of events is planned!
- **Saturday night banquet and cocktail** and all meals included!
- **Live music** throughout the event!
- **Mobile app** to enhance your experience!
- Lodging available
